## **Introduction**

The purpose of this policy is to define who may hold keys and on what terms.

## **Types of Key Holder**

The Head Teacher, the Site Supervisor and the relief Caretaker are permanent key Holders.

Other people may become *Temporary Key Holders* at the sole discretion of the Head Teacher and then only in accordance with this policy.

## **Temporary Key Holding Procedures**

Each Temporary Key Holder will have his or her name and the start and end dates for the key holding recorded in the Key Holders' Log Book (see Appendix 1). Each entry in the Log Book will be witnessed by the Head Teacher and signed and dated by the Temporary Key Holder.

The Temporary Key Holder is responsible for ensuring the key is returned to the Head Teacher by the due date. The Temporary Key Holder's responsibility will end with a witness's signature in the Log Book.

## **General Rules**

- Copying of keys is not allowed
- Key security is the responsibility of the Key Holder
- The key must not be lent or given to other people
- Lost keys must be reported immediately to the Head Teacher who will assess the security risk implications of such loss
- Together with the Premises Committee of the Governing Body, the Head Teacher will determine what steps need to be taken to maintain the security of the school.
- In the event of a security incident the Head Teacher and Premises Committee will launch an internal inquiry with which all key holders are expected to cooperate.
